

CSUP Graduate Education Course Syllabus

Multiple Intelligences in the Classroom

ED 501 CLDE

Catalog Description:

This course will review and explore the areas of multiple intelligences (MI) as they apply to the classroom. Educators will be able to take the theories of MI and put them into practice in the elementary, middle and high school environments. Teachers will apply MI instructional strategies and classroom management practices in schools. Educators will realize that students are very different in terms of multiple gifts, talents and areas of multiple intelligences. Teachers will be able to adjust expectations to a variety of students who do not easily understand content. Student assessment, special education, and technologies of MI theory will be presented. Diversity, personalization and deeper learning are presented as well as MI criticisms. Educators will research MI and develop activities and lessons as examples of MI lessons that will be utilized for teacher applications in educational settings. (2 credits)

Credit Hours: ED 501: This three-credit ED 501 course uses a face-to-face/hybrid/synchronous online/asynchronous online, format and will require a total of 112.5 hours of student effort as shown in the Course requirements section as well.

Course Format: Distance learning, independent Study Grad Course for working teacher license renewals.

Instructor: Joseph C'deBaca MAED joseph@teacherslearningcenter.com phone 727-273-4852

Course Description:

This course will review and explore the areas of multiple intelligences (MI) as they apply to the classroom. Educators will be able to take the theories of MI and put them into practice in the elementary, middle and high school environments. Teachers will apply MI instructional strategies and classroom management practices in schools. Educators will realize that students are very different in terms of multiple gifts, talents and areas of multiple intelligences. Teachers will be able to adjust expectations to a variety of students who do not easily understand certain subjects. Educators will research MI and develop activities and lessons as examples of MI lessons that will be utilized for teacher applications in educational settings. (2 credits)

Required Text: Course Readings: How to Teach so Students Remember by Marilee Springer 2005, Alexandria, VA: Association for Supervision & Curriculum. 191 pages.

Course Objectives:

1. Educators will learn the concepts of MI theory of Multiple Intelligences by Gardner and its teaching application to the variety of student gifts and talents that individuals possess.
2. Teachers will learn and apply Mi in their curriculum writing and teaching strategies for classroom applications and student assessment for the classroom environment.
3. Students will analyze MI classroom diversity of latent gifts and talents for applications of MI in the elementary, middle and high school levels for the MI school.
4. Students evaluate the assessment, neurodiversity and special education applications are presented as well as personalization of individual students and learning technologies in classrooms.
5. Teachers will create writings and MI tolerance of students who do not excel in certain MI academic domains and research MI and develop lessons or activities that demonstrate Mi applications in schools.

Student Learning Outcomes: (SLOs): This course addresses the following student learning outcomes rated 1=Basic, 2=Developing, 3=Proficient, 4=Advanced

Educator Student Learning Outcome	Degree Addressed
1. Demonstrate growth in content knowledge related to teaching assignments and application of content knowledge to classroom instruction & assessment.	3
2. Understand scientifically based practices in teaching and learning, including strategies in literacy education, instructional technology, differentiation of instruction, and apply them to raise student achievement.	2
3. Demonstrate multiple means of assessing and evaluating student learning and use them to change teaching and learning.	2
4. Locate, interpret, synthesize, and apply educational research in best practices in teaching.	2
5. Understand models for professional change, including teacher collaboration, professional learning communities, strategies for mentoring and coaching to facilitate change, and effective professional development.	1
6. Demonstrate understanding of reflective practice that results in improved classroom teaching and learning, including teacher reflection, use of technology in self-assessment, collaboration for change, and self-management of change.	2
7. Demonstrate understanding of system and organizational change in education, including models for school change and current research and trends in school change.	1
8. Demonstrate responsibility for students learning at high levels.	3
9. Demonstrate responsibility for school reform and leadership in school change.	1

Course Requirements:

Read the book Multiple Intelligences in the Classroom by Thomas Williams and relate the content to your specific classroom/school context. Then write chapter reviews/reflections for each chapter in the book. Research this topic and locate 2 articles that address MI issues. Then develop a lesson or unit plan or a project or activity. Write a two-page final application essay linking key concepts from the book to your specific classroom context. Focus the essay on an area of interest that are relevant to your teaching or professional experience, explain how this will improve your capacity to apply new concepts learned from this course to your school environment. See Rubrics below and utilize above SLO's in your writings.

Course Requirements:

1. Chapter reviews/reflections
2. Research Article Review
3. Lesson or Activity
4. Final Application Essay

Student contact Hours Course Work Time 3 credits.

Requirement	Points	Student (hours)
Reading Textbook (191 total pages)	25	17.5
Write Chapter Reviews/Reflections	25	20.0
Design Lesson Plan or Activity/Project	15	15
Write Research Article Reviews	20	15
Final Application Essay	15	20
Total	100	87.5

Attendance/Participation:

Educators will choose and order their course/s at the CSUP website or www.teacherslearning.com and enroll and pay. They will receive their Course Startup documents via email and the course books will be sent by mail by Amazon or the post office. Teachers will study their syllabus and start reading and writing their assignments. They will be in contact with their TLC Instructor for guidance and support. The Independent Study and Self-Paced format allow working teachers flexibility and freedom to learn.

Term Dates:

Enrollment periods will appear on the students' transcripts. Thus, enroll in the term that you wish to See on your transcript. **Spring** – January 2nd to May 15th **Summer** – May 16th to September 15th
Fall – September 16th – December 31st

Grading: Grades automatically revert to an "F" if the course is not completed within a year.

Percentage	Grade Level	GPA
100% to 90%	A	4.0
89% to 80%	B	3.0
Not Allowed	No "C" grades	
Assignment	One Redo	

Chapter Review/Reflections: Write several paragraphs summarizing the main ideas or information you thought was significant from 12 chapters in the book of your choosing. Paragraph bullet points of main issues are acceptable. See rubrics below for guidelines. Utilize above SLO's in your writings

Introduction

- | | |
|---|--|
| 1. Foundations of MI Theory | 2. MI and Personal Development |

Addresses instructional methods, teaching strategies and effective lessons as well as students' affective needs and academic achievement.	Writes a thorough essay with multiple examples of how various course concepts can be developed and implemented in classroom and schools. Includes student's personal and experiential reflections and any state, district, or national academic standards that may apply. Writing has critical analysis of the course's positive and/or limiting content and offers solutions as they apply to instructional applications in classrooms and schools. Addresses instructional methods, teaching strategies and effective lessons as well as the affective needs of students and achievement.

Late Work: They are late if not completed within 6 months after Registration. Late assignments will receive a 20% reduction. An "F" grade will be posted if the course work is not completed on time.

Incomplete Grades: Incomplete Grades will be handled according to the University Catalog. If an incomplete grade is issued, the student, instructor, and Associate Dean will develop an agreement for the terms of the incomplete and sign it.

Student Conduct: Students are required to follow the policies set within the Student Code of Conduct at CSU Pueblo. This Code can be found on the Student Affairs website at <https://www.csupueblo.edu/student-affairs/student-conduct/index.html>. Students with question regarding any guidelines within the Code should contact the Director of Student Conduct and Case Management at 719-549-2092.

Accommodations: Colorado State University-Pueblo abides by the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973, which stipulates that no student shall be

denied the benefits of an education "solely by reason of a handicap." If you have a documented disability that may impact your work in this class and for which you may require accommodations, please see the Disability Resource & Support Center as soon as possible to arrange accommodations. In order to receive accommodations, you must be registered with and provide documentation of your disability to the Disability Resource & Support Center, which is located in the Library and Academic Resources Center, Suite 169.

Academic Dishonesty: Academic dishonesty is any form of cheating which results in students giving or receiving unauthorized assistance in an academic exercise or receiving credit for work which is not their own. In cases of academic dishonesty, the instructor will inform the chair of the department prior to implementation of punitive action. Academic dishonesty is grounds for disciplinary action by both the instructor and the Dean of Student Services and Enrollment Management. Any student judged to have engaged in academic dishonesty may receive a failing grade for the work in question, a failing grade for the course, or any other lesser penalty which the instructor finds appropriate. To dispute an accusation of academic dishonesty, the student should first consult with the instructor. If the dispute remains unresolved, the student may then state his or her case to the department chair (or the dean if the department chair is the instructor of the course).

Mandatory Reporting: Colorado State University-Pueblo is committed to maintaining respectful, safe, and nonthreatening educational, working, and living environments. As part of this commitment, and in order to comply with federal law, the University has adopted a Policy on Discrimination, Protected Class Harassment, Sexual Misconduct, Intimate Partner Violence, Stalking, & Retaliation. You can find information regarding this policy, how to report violations of this policy, and resources available to you, on the Office of Institutional Equity's website (www.csupueblo.edu/institutional-equity).

Institutional Equity Statement

CSU Pueblo is committed to equal educational and employment opportunities and to the elimination of all forms of Discrimination, Protected Class Harassment, and Retaliation. Any campus community member in need of support, resources, or guidance is welcome to contact the Office of Institutional Equity and Title IX Coordinator via email at nicole.ferguson@csupueblo.edu, phone 719-549- 2210, or in person at LARC 187.
